Benefiting the Argyle Athletic & Band Booster Clubs

Athletic Boosters

The Argyle Athletic Booster Club supports the goals of the Argyle Eagle Athletics. Our goal is to offer community support, parental support, and financial assistance to more than 500 young men and women at both high school and middle school levels. Through outstanding volunteer and fundraising efforts, Argyle Athletic Boosters addresses the needs of our young men and women and enhances the potential for their continued success.

Band Boosters

The Band Booster Organization supports the Argyle Band Program at the Intermediate, Middle School and High School levels. More than 300 students in grades 6 through 12 are members. Band Boosters is comprised of any parent that has a student in the band program; and we are proud to say we have a very high volunteer support group. The Band Boosters assist the band by providing financial support for band activities, scholarships, and private lessons as well as any projects outside the domain of the school district revenue.
